

Denmark 31. January 2011

Dear Brothers and Sisters throughout the world,

I wish you all a Happy New Year 2011 - with the hope that You all went into the new year in a good manner - and that the power to make an effort for the Druids remains intact.

It has been a cold cold winter so far in Denmark - and therefore it is great to have the opportunity to visit more warm climes - our World President will do so in February.

Another thing that Danes can warm us on is a silver medal in handball - just barely won in a great fight with the French.

Otherwise, I must say that overall it is very small with news from near and far - as seen in this relatively short newsletter - remember to send news to me - it'll be used.

Economy

I must mention that the latest published economic status has led to a number of inquiries from near and far - it's nice that focus now is to correct any errors.

I just received the financial statements until the end of 2010 from the grand treasurer - Br. Rolf Ström - I very well know that br. Rolf is in a close dialogue with more of the member-countries.

I know so that Br. Rolf intensively is trying to get in touch with South Australia - but so far without much luck - maybe someone who reads this newsletter can help us????.

Unfortunately it looks as if we have lost contact with our brothers in the U.S. - EAST, if anyone has some contacts, please let us know.

Another reason why it is difficult to keep constant track of economic development remains that we have an account in England - perhaps a matter we should do about when we meet in Copenhagen next year??????????

World President

Is with his wife Kirsten on a trip to New Zealand where he will participate in the SGLD-meeting between NZ and Australia - we are looking forward to see how things are done down there - and again meeting good brothers and sisters.

On November 5, 2010 the 54. lodge was built. The new lodge is "daughter" to Lodge Myrcia in Porsgrunn - and got the name Lodge Malva.

Lodge Malva will also have its homeadress in Porsgrunn - and the lodge was founded by 17 brothers in Porsgrunn.

For the moment there are 2.731 Druid-brothers in Norway - of these 964 are IGLD-brothers.
